

Held over four days in the heart of Hollywood, the TCM Classic Film Festival is a place where movie lovers from around the world can gather to experience classic movies as they were meant to be experienced: on the big screen, in some of the world's most iconic venues, with the people who made them. Moreover, the TCM Classic Film Festival strives to be a place where a community of movie fans of all ages can share their love of classic movies with each other, make new friends and see films as they are seldom seen today.

FOLLOW YOUR HEART: LOVE AT THE MOVIES

Whether it's in the afternoon, at first sight or in the air, the TCM Classic Film Festival will celebrate love in all of its forms. As we come together for the 10th Annual Festival, and the 25th anniversary of TCM, there will be many-splendored moments to revel in romance and obsessions, delight in faithful friendships and surrender to the enduring allure of the silver screen with fellow classic movie lovers.
